

Zain Sudan is a leading telecommunications company in Sudan and this unlock solution is for Huawei E177u sales in Zain's service areas. The unlock process takes less than 3 minutes and can be completed with an active data connection on the device. The Huawei E177u Unlock Solution enables you to use any SIM card worldwide, allowing customers with dual-sim handsets to operate a call or data plan on one card while keeping their personal number on the other. This unlocks the phone so it can be used anywhere in the world with any of your preferred mobile carriers.
